RE: Peaceable Kingdom Project, Richmond, Vermont  
Wastewater System and Potable Water Supply Permit #WW-4-4214-3  
Construction statement for Lot 3

Dear Bill:

I am writing on behalf of Gary Bressor of Peaceable Kingdom, LLC regarding construction of the building sewer and water services serving the existing house on Lot #3 as shown on plans approved in WW-4-4214-3 of the Peaceable Kingdom Subdivision on Thompson Road in the Town of Richmond.

As required by conditions of the Permit, I certify that the installation related information submitted is true and correct, and that, in the exercise of my reasonable professional judgement, the potable water supply and wastewater systems were installed substantially in accordance with the permitted design and all permit conditions, were inspected, were properly tested, and have successfully met those performance tests.

Sincerely,

Spence Excavating & Construction
