Cell Phone: 802-343-6350

August 12,2024

To: Tyler Machia/Zoning Administrator

I am sending this letter to state that we installed the roads at Peaceable Kingdom Development to the town specs provide to us from the DRB board. This consisted of road fabric, and 18'w x2'd plant mix road.

If you have any questions you can contact me at 802-343-6350 or email me at cjspencevt@gmail.com

Thank you

Chris Spence
