

Construction Update

Williston VT 2A and Industrial Ave Project

[Williston STP 5500(17)]

DATE: Friday, April 4, 2025

TRAFFIC IMPACT AND DURATION: From Monday, April 7, through Friday, April 11, between 9 a.m. and 3 p.m., there will be multiple single-lane closures with alternating one-way traffic controlled by flaggers on VT Route 2A (VT 2A) and Industrial Avenue/Mountain View Road. Motorists should expect traffic delays and plan for extra travel time.

From Monday, April 7, through Friday, April 11, daytime independent utility work may require impacts to traffic, including shoulder or single lane closures, throughout the project limits. Motorists should slow down, use caution, and pay attention to flaggers and road signs.

CONSTRUCTION ACTIVITIES: Monday through Friday, between 6:30 a.m. and 5 p.m., crews will install temporary traffic control road signs, temporary barrier fence, silt fence, and erosion prevention and sediment control measures throughout the project limits.

Vermont Gas Systems will continue to relocate a gas line on the north side of Industrial Avenue between Gail Terrace and VT 2A. This work is independent of the Williston VT 2A and Industrial Avenue Project.

Crews mobilize to the project limits on VT 2A near Industrial Avenue in Williston, VT.

LOCATION: The project limits (highlighted in orange above) include the 0.7-mile segment of Vermont Route 2A (VT 2A) in Williston, VT from Meadowrun Road to just south of River Cove Road, including its intersection with Industrial Avenue/Mountain View Road.

PROJECTED COMPLETION: Fall 2026
