Duncan,

Thanks for the reminder. I am out of town right now, but yes I would like to be reappointed to both coal weighed and town energy coordinator. Since I have been Town Energy Coordinator since 1992, I think I am a pretty known quantity. As far as Coal Weigher, I have an extensive resume on energy issues that I would love to share and wish I could be at the May 20 th meeting to expound upon it, but alas I won't be home until later in the month and will have to trust the board to make the right decision and hope for the best.

Cheers.

Jeff

Jeff,

The SB is performing appointments on May 20th. Do you still want to be considered for the Town Energy Coordinator and Weigher of Coal?

You don't often get email from jeff.forward@richmondvt.org. [Learn why this is important](#)

Duncan,

Thanks for the reminder. I will be applying for Town Energy Coordinator and to server on the Town Center Committee if it goes beyond Town Meeting Day.

Of course I will also want to reup for the most coveted position of Weigher of Coal as well. And for this one I will stand on my record of consistently weighing coal for many years. Funny, every time I do it though it comes out too much.

Jeff
