

# Richmond Flag Deposit Box

Michael Denis' Eagle Scout Project

# Agenda

- My intended Eagle Project
- What the product will accomplish/ look like
- Execution
- Suggestions, requirements from you

# Objective

- Build a flag deposit box to place in Richmond, somewhere easily accessible to the public
- For worn American flags so they can be collected and retired properly.

# Location

Several Options:

1. Just outside the library, or in the building if desired
2. Outside the post office (technically federal- red tape?)
3. Selectboard ideas

Ultimately up to Richmond's selectboard

# The Box Itself

- 3.5x2x2ft wooden box on 6in metal legs
- Core box of durable plywood, with more visually appealing siding on the outside
- Primer and paint for weatherproofing, thinking about all red but will depend on location and selectboard input
- Design-

# Budget/Fundraising

- Home Depot Donation for building materials
- Plaque will be provided by Troop 692
- Shopping List-

# Building It

- Planning on only needing three other scouts
- One session (<3 hours?) for assembly
- One session (<1 hour?) for staining
- To be done at my home in Richmond
- Installation at the Selectboard's leisure

# Flag Collection

- Permanent arrangement with Richmond troop?
- Permanent arrangement with Williston troop?
- Permanent arrangement with the town?
