**Subject:** FIP Policy Information

Chief Cambridge,

This information may be more than what you have an interest in but the attached documents outline the process before the FIP policy went to final vote at the Council level. There are many more documents that were shared throughout the time period and I am happy to share any and all of them with you but I didn't want to overload you with information. I tried to select the most informational.

- 20231213 fair and impartial policing report final - this was the document put forth to the council that contained the work of the subcommittee.

- 2024320 2024 adhoc subcommittee document was a subcommittee that was created out of discussion at the Council level
- Federal law, state law...this was a presentation given to the Council by VCJC General Counsel Kim McManus.
- VCJC Legal Counsel FIP Memo - Memo from GC McManus

Let me know if you have any questions or if there is any other information of interest to you.

Thank you,  
Lindsay
