

24 V.S.A. § 4412 is amended to read:

§ 4412. REQUIRED PROVISIONS AND PROHIBITED EFFECTS

Notwithstanding any existing bylaw, the following land development provisions shall apply in every municipality:

(1) Equal treatment of housing and required provisions for affordable housing.

\* \* \* (D) Bylaws shall designate appropriate districts and reasonable regulations for multiunit or multifamily dwellings. No bylaw shall have the effect of excluding these multiunit or multifamily dwellings from the municipality. In any district that allows year-round residential development, duplexes shall be an allowed use with dimensional standards that are not more restrictive than is required for a single-unit dwelling, including no additional land or lot area than would be required for a single-unit dwelling. In any district that is served by municipal sewer and water infrastructure that allows residential development, multiunit dwellings with four or fewer units shall be a permitted use on the same size lot as single unit dwelling, unless that district specifically requires multiunit structures to have more than four dwelling units.
