

Town Of Richmond Discretionary Funding Policy Adopted by the Selectboard on 2/18/25

1. What is Discretionary Funding?

Discretionary funding is a duly-appropriated sum of money in the Town's expense budget allocated to an eligible not-for-profit organization by the Selectboard and approved at Town Meeting.

2. What Types of Organizations May Receive Discretionary Funds?

Discretionary funds may only be allocated to not-for-profit; community-based social services providers. In order to receive discretionary funds directly, an organization must be incorporated as a not-for-profit and registered with the State of Vermont., unless exempt and have a Federal Employer Identification Number (EIN).

3. What Types of Organizations May Not Receive Discretionary Funds?

For-profit entities may not receive discretionary funds, except when the primary non-profit contractor subcontracts with a for-profit entity as part of the delivery of services. Such subcontracts, however, must be only an ancillary part of the program to be funded, not the primary basis for the discretionary award, and must be approved by the contracting agency.

4. What are the Restrictions on the Use of Discretionary Funds?

All public funds, however awarded, must be used for a Town purpose. In general, a Town purpose is defined as an activity or service that is open to all members of the public, regardless of race, creed, gender, religious affiliation, etc., without restriction, and which does not promote a particular religion.

Programs and services provided by religious or religiously-affiliated organization must be able to demonstrate that the program is open to non-members, is not a religious program, and does not promote the religion.

Closed membership groups, which are those to which membership is restricted or subject to eligibility based upon prohibited factors, may generally not receive funding.

Groups that serve a particular population, for example, those age 65 and above in a particular community; are not considered a closed membership group, as long as the program is open and accessible to all seniors in the community. Similarly, tenant organizations in public housing may also receive funding, as long as they provide equal access to all residents of the public housing units they serve.

Funds may only be allocated for a public purpose and may not support political activities and private interests.

All organizations that are awarded funds must provide two reports for during the fiscal year in which they received the funds. One report is due by January 15 and will provide an update on the organization's activities in the Town of Richmond from July 1 – December 31. The second report is due by August 15 and will provide an update on the organization's activities in the Town of Richmond from July 1 – June 30.

5. How to Apply for Discretionary Funding?

All organizations that wish to receive discretionary funding must submit a "Request for Special Appropriations" application to the Town Manager by the Wednesday immediately prior to the second Monday in October. The application elicits information about an organization's experience, qualifications, and integrity, and the project or service for which the organizations is requesting support.
